THE TRUTH SOMETIMES NOT FOUND OUT UNTIL TOO LATE.

SUCH is often the case in regard to persons taking medicine. They are induced by plausible reasoning, false representation and doctrines, to employ medicines that, so far from being adapted to their disease or sickness, absolutely increase the symptoms, destroy the constitution, rack the whole system, and bring on a gradual decline, terminating in death; previous to the fatal termination, however (but unfortunately too late,) the truth is found out that the pills, mixtures, &c. they have been taking were composed of the most powerful and dangerous ingredients, prepared too by persons knowing nothing of disease or the nature of the medicines they recommended, depending altogether upon the "general doctrine of such impostors," that their medicines will "kill or cure." Be advised, then, if you find it necessary to take some medicine for purifying the blood and cleansing the bowels, to take nothing but Dr. Leidy's justly and deservedly celebrated SARSAPARILLA BLOOD PILLS, the only pills containing Sarsaparilla in their composition—the safest and best as well as the most effectual that can be taken.

Old and young, at all times, without regard to weather, may take them without fear of taking cold, and without restraint from occupation or usual course of living. Upwards of 1,000 certificates have been published, various times, of their efficacy. More than 100,000 boxes have been sold in Philadelphia in twelve months. These facts go to prove their value, or so many never would be sold in so short a time, in a place where they are manufactured; this, however, arises in part from the fact that the manufacturer of them (Dr. Leidy) is well known at home as a regular physician and apothecary, knowing the true nature of diseases and of the medicines he recommends, attested by the most celebrated physicians, among whom are Dr. Nathaniel Chapman, Dr. Wm. Gibson, Dr. W. E. Horner, Dr. Samuel Jackson, Dr. Robert Hare, Dr. P. S. Physic, Dr. T. C. James, Dr. W. P. Dewees, Dr. J. Redman Cox, Rev. W. H. Delancy, Robert Adrian, L.L.D., &c. &c.

Orders for Dr. Leidy's BLOOD PILLS are daily received from the North, South, East, and West, and the most flattering accounts, from every direction, of their unparalleled success. A single box (25 cents) may save as many dollars, if taken in time, instead of the dangerous medicines now forced on the public, and by taking which persons so often find it necessary at last to take Dr. Leidy's Blood Pills, to counteract their injurious consequences. They are prepared only, and sold Wholesale and Retail, at Dr. Leidy's Health Emporium, No. 191, North Second street, below Vine street, Philadelphia. And by

IT CANNOT BE DENIED.

FOR truth is mighty, that Dr. Leidy's SARSAPARILLA is the purest, strongest, and most efficacious of any other preparation of Sarsaparilla that is made. It is warranted to be stronger than six bottles of most others, stronger than four of some, and stronger than three of the strongest prepared by any other in the United States.

Dr. Leidy's Sarsaparilla is recommended by all respectable physicians in preference to any other. All who have ever used it have derived more benefit from one bottle than three to ten of others; and those who, after having used other preparations without benefit, will use Dr. Leidy's, will soon be convinced (as thousands have already been) of the foregoing assertion.

The apparatus with which Dr. Leidy's extracts, used in his preparation of Sarsaparilla as prepared, is the only one in the United States, imported by Dr. Leidy himself, from the celebrated house of Pelletier & Caventon, in Paris, at a great expense, and is capable of extracting the medicinal virtues of Sarsaparilla and other roots more effectually than by any other process.

As several hundred certificates of remarkable cures, and recommendations from clergymen and physicians have been from time to time published in different papers, it is only thought necessary to keep the public acquainted as to where Dr. Leidy's Sarsaparilla can be obtained genuine, namely, at Dr. Leidy's Health Emporium, 191 North Second street, near Vine street, (sign of the Golden Eagle and Serpents,) Fred. Brown's, James Bond's, and Fred. Klett's drug stores, Philadelphia, and at

ADDRESS TO THE PEOPLE OF THE UNITED STATES.

IN looking around upon mankind, the philanthropist cannot but find too much to lament. The various ills to which his race are subject, and which are daily and hourly hurrying thousands to the grave, and some, too, in the morning of life, when the hopes of parents and friends seemed budding into maturity, are sufficient to awaken the liveliest sympathies of those whose hearts are not callous to every sympathetic feeling. When by the haggard look, the hurried breathings and the hollow cough of those with whom he has been in the habit of holding sweet intercourse, perhaps of his own blood relations, he sees the spark of life dimly glimmering or just ready to go out, how does his longing desire increase that the mind of man, omnipotent almost as it is, could devise some means, by which, under Providence, the consequences of these ills might be stayed; his better nature becomes excited, and he is stimulated to his task in view of the mighty results which may flow from his toils. Thus we see the market crowded with nostrums whose virtues, if the half of which were true, would cause Death itself to die and man become immortal.

In presenting the Panacea of the DANDELION and TOMATO to the public, we would say that we do not claim for it, that it shall be a specific for all the diseases to which the human frame is subject, but for all for which it is recommended. It has for its recommendation the sanction of the experience of the most distinguished and enlightened physicians on the globe.

The proprietors deem it unnecessary to state the cost to which they have been at, or care which has been taken to select, in the first place, the BEST articles, and then devise the means by which their whole strength may be given to the public. They ask for it only that need of attention to which the sick and suffering in the community may deem it entitled. They are willing that its healing properties should be its only recommendation, and that the relief and health which is sure to come to the suffering and diseased after its use should proclaim its virtues; they intend, and have made, such arrangements that it shall have an extensive sale, and that they may receive a share of its healing benefits. The Panacea is composed, as all must be aware who know anything of the DANDELION, TOMATO, and SARSAPARILLA, its principal ingredients, from the most innocent, as well as the most effectual plants in the vegetable kingdom.—There is scarcely an individual who is not well acquainted with the efficacy of the DANDELION, TOMATO, and SARSAPARILLA, and who does not know that in those diseases in which complete and radical change in the composition of the blood, in the secretions of the Liver, and in the formation of all the solid parts of the body are regarded, that there are no remedies which will for a moment compare with them; in fact, in all those regions in which liver diseases are prevalent, or where, from the nature of the climate, any impurities of the blood exist, the Dandelion grows in great quantities, and is eagerly sought after. It seems from the great abundance of the Dandelion in all the regions where such diseases or any that flow from them exist, that it was the design of the Creator that, where the malady was found, the remedy also might be obtained. They are therefore offered to the public with full confidence for the relief of those diseases for which the articles themselves are so often recommended by all our first physicians.

Such as Headache, Dizziness, Sleeplessness, Noises in the head, bad taste in the mouth, nausea or sickness of the stomach, loss of appetite, indigestion, dyspepsia, fever and ague, pain after eating, sour stomach, heartburn, jaundice, costiveness, determination of the blood to the head, piles, coughs, colds, pain in the side, back, limbs, and joints, rheumatism, and all chronic diseases, scrofulous humors, salt rheum, and cutaneous eruptions of the skin, general debility, &c.

Druggists and others in different parts of the country desiring an agency, or quantities of the article to be sold by them on commission, can be supplied immediately by addressing, POST PAID, a line to the proprietors, Messrs. Ransom & Stevens, No. 325 Washington street. In a short time it will be advertised in the leading papers in the country.

Prepared and sold at wholesale and retail by the Proprietors, RANSOM & STEVENS, Amory Hall building, 325 Washington street, second door north of West street, Boston, Mass.

Also for sale by the duly appointed agents throughout the country—

From the Boston Daily Mail.

A REALLY GOOD ARTICLE.—Always anxious to benefit our readers in every possible way, we would now recommend to their notice an article prepared by Ransom & Stevens, Druggists, which is fully deserving of confidence and every way worthy to be relied on. We mean the Dandelion and Tomato Panacea. Compounded from nine of the best medicines produced in the vegetable kingdom; the Dandelion, Tomato, and Sarsaparilla forming the chief ingredients, which are well known and universally admitted to contain the most healthful properties the science of medicine has yet discovered. We called at the store of these gentlemen yesterday and had the pleasure of perusing letters, some of which were from Physicians of the highest respectability, and others from the gentlemen of undoubted integrity, all speaking in the highest terms of the good effects of the medicine. They also held in their possession, innumerable certificates from persons, some with whom we are acquainted, and in whose word we can place the fullest confidence of the wonderful cures performed by its use; such as Asthma, Erysipelas, Dyspepsia, Salt Rheum, Chronic Diarrhea, Rheumatism, Scrofula, and for all impurities of the blood, and from our own knowledge and confidence in the gentlemen who prepare the medicine and the trial we have had of its virtues, we have no hesitation in recommending it as one of the best alternatives and purifiers of the blood now before the public. For anything in the apothecary line, we would recommend the store of these gentlemen, 325 Washington street, as inferior to none in this city; their high moral worth and strict integrity being sufficient guaranty to the public against any attempt at imposition.

In copying the above from the Mail, we are happy to be able to endorse every word of it, having tried the Dandelion and Tomato Panacea ourselves with the happiest effects. The proprietors are really deserving of patronage, and we are sure the success with which their efforts. Give them a call at their store, Amory Hall building, 325 Washington street, second door north of West street.—Daily Times.

POWHATAN HOUSE.

RICHMOND, VIRGINIA.—On the 1st of April last this fashionable and popular Hotel passed into the hands of the subscriber, whose whole time and attention are directed to the comfort and gratification of his guests. It has just been repaired, and is now in good order for the reception of company. The accommodations are superior, and sufficient for 150 persons. Many of the rooms are large, and fitted up especially for the use of travelling families, and all are furnished with excellent beds and hair mattresses. His table is served with every viand of the season, prepared in good old Virginia style.

To the old patrons of the house he would say that he has made many alterations and additions for the better; and he assures his friends, who have been in the habit of calling on him for the last ten years at Dibrrell's Springs and the Warm Springs, that at the Powhatan House they will find him no less deserving their encouragement.

The position of the Powhatan House is decidedly the best in the city. It is elevated, dry, airy, unincumbered by other houses, and very near the business streets, railroad depots, steamboat and packetboat landings.
